## The gift that keeps on giving

Did you receive money during the holidays? Money is the gift that keeps on giving! Here's how you can make the most of your gift:

### Make a wish list

Make a wish list of things you'd like to buy. Order them from most important to least important. How much money will you need to buy the items you want?

### Start saving

By making that wish list, you have a reason to save your money to buy what you really want. Plus, saving can help you earn Thank Use this year! Learn how below.

### Spend smart

Instead of buying the first thing you see, make sure you really want what you buy. When you're ready to purchase, look for sales or coupons that can help you save a little money.

## Boost your savings!

At a cooperative like Dupaco, you're not just a member—you're an owner.

## Earn Thank Use for saving

Boost is a special Thank Use earning category for members under the age of 18—like you! Simply make five deposits of \$5 or more into your savings account by Sept. 30, 2021, and we'll thank you with a \$25 "boost" to your savings account. It's that simple! And it's one more way that Dupaco is helping members—like you—earn while you learn how to save!

# Thank USE

To earn Thank Use in the Boost category, member must meet campaign eligibility requirements and have five or more individual savings account deposits of \$5 or more each between 01/01/21 - 09/30/21; limit one qualifying deposit per day.
