FALL 2022

Way to **BOOST** your savings!

By practicing saving, many of our youngest members were thanked with a \$25 Thank Use "boost" to their savings accounts this fall. Participants made at least five deposits of \$5 or more by Sept. 30. Now that's being super thrifty!

Check it out! 5,917 members under age 18 earned nearly \$148,000 in Thank Use!

What does it mean to invest?

A savings account is a great place to store your money at first. But to really grow your money, you'll eventually want to invest some of it.

Investing means putting your money into something that might make you more money.
